We cannot allow children to stay at the club who are ill or have any infectious disease, e.g. chicken pox, measles etc. In cases of sickness and diarrhoea, children must be clear of symptoms for 48 hours before returning to the Holiday Club. Any medicines must be clearly labelled with the child's name, amount, time and frequency of dosage. Please hand any medication to a member of staff on arrival and make sure you collect it again at the end of the day. We reserve the right to administer basic first aid for treatment of minor cuts, bumps and bruises. Parents will be informed of any accident and asked to sign the accident book. In the case of a more serious accident, the child will be taken immediately to the nearest hospital. Parents will be informed of the situation and the hospital at which to attend.
