There is a wide range of activities detailed on the itinerary, which you will find enclosed. You can be assured of a safe and secure environment and the indoor and outdoor facilities are excellent. All of the staff are qualified Practitioners and Club leaders with experience in this age group. They are also qualified in First Aid and we operate a high staff to children ratio.

Although the hours are 8.00 a.m. to 6.00 p.m., times of arrival and departure can be varied. You will need to provide a packed lunch and drink, clearly labelled with your child's name. Layers of clothing are advisable as there will be indoor and outdoor play. Best clothes are to be avoided and it is important that any coats are clearly labelled. Children should wear sensible footwear. We do have children who attend with severe nut allergies so please be mindful of not sending in food containing nuts in the children's lunch boxes.

The Club leaders at the scheme have a mobile phone so that they can always be contacted. To ensure efficient running of the scheme and proper routing of any important messages, we ask that all communication should be via our Lichfield Nursery phone number, which you will find at the foot of this page. Similarly, for these reasons, we do not permit the children or even our own staff to have their own personal mobile phones while the scheme is running.

The Holiday Club is an extension of our After School Clubs, which operate every weekday during term time at St. Michael's, Scotch Orchard, St Joseph's and Cathedral Badgers and at Barton under Needwood, Walton and Yoxall. If you would like any details, please let us know.

To reserve a place for your child just complete the booking forms and return them with your payment. We cannot accept a booking without payment and any cancelled bookings are non-refundable. Confirmation of your booking will be sent to you. Early booking is advised to avoid disappointment.

All enquiries please call: Julie or Justine at Humpty Dumpty Nursery on 01543 416002

Whilst the activities are themed they are fully adaptable to cater for and challenge any younger or older children attending. Other indoor and outdoor activities are available. We are led by the children on their interests with activities they enjoy. Your children's enjoyment is very important to us and feedback is gratefully received.
