

OUR APPROACH

We aim to be **flexible and inclusive**. We encourage parents and carers to discuss their childcare needs with us so we can offer a package that best supports their family.

FUNDED HOURS EXPLAINED

- Eligible children can receive **up to 30 hours of funded childcare for 38 weeks** a year.
- To support working families, **we stretch the funding across the full year (51 weeks)**.
- This means **22.35 funded hours per week**, rather than 30 hours term time only.

HOW HOURS CAN BE USED

- Funded hours can be taken over **3, 4 or 5 full days**.
- It is also possible to book **20 hours over 2 days all year round**.
- Part day sessions may be available, depending on occupancy.

WHAT'S INCLUDED IN OUR FEES

Alongside funded hours, we offer a bundle of services, which may include:

- Additional non-funded hours
- Hot two-course lunches
- Healthy snacks
- Drinks
- Additional services over and above the basic funded provision

These extras and additional services vary by age group, days booked and season.
